

Those circulating lies on the Internet and by other means may appear to hinder the work of this ministry, as it even now appears, but God still reigns in the heavens, and will bring good out of apparent evil. Through the ages, Satan has taken his martyrs. (These are the fortunate victims of his antics. Many more are they that have been caught in his trap and lost out on the blessings of this life and the life to come as his captives.) It is no different today except that for the most part his attacks have been on the character of his enemies. But we may all rest assured that it will soon be on their very lives, just as before.

God bless you and keep you. You will be in my prayers as I request for myself and this ministry.

Sincerely in Jesus' precious name,

Walter Thompson MD

Dear Mr. Walter Thompson,

If I could I would like to ask a few more things. I am still not pleased with this law suit and I am concerned about all the donors who do not know you are using the donated funds to pay for it. They cannot object if they do not know. This does not seem fair.

Someone told me you have or had a fancy jet plane for Danny to use and donations were used to pay for that too. I never knew you had the jet plane so when I gave to your ministry I was ignorant of how you were spending the money. I do not approve of such spending for donated funds. All this concerns me along with the other things I mentioned.

Dear J. J.

Thank you for your e mail expressing your questions and concerns. We appreciate hearing from our viewers and donors, and being given an opportunity to respond.

The property transfer to which you refer was properly executed by an attorney who served on our board at the time, and who was employed by a NAD conference writing such documents. In brief, it was a situation where a donor made a gift to 3abn with a lifetime interest for herself and for Danny and Linda. In other words, the house was theirs to use as long as any of them should live. When Danny and Linda decided they wanted to build a house and build up equity toward the day when they could no longer work, they requested the opportunity to purchase their lifetime interest in the property as determined by legal statistical tables calculated to determine the worth of the property at the statistical time of their death.

It was not an easy decision to go to court against those who were saying and doing things that were, and continue to hurt God's work. The false accusations and rumors created by their activity has had a serious negative impact upon this ministry, and we would be negligent of our responsibilities to

ignore them and let this ministry go down without a fight. I think often of ancient Israel when coming under attack by enemies, either from within (the prophets of Baal and Elijah) or without (Gideon) as examples. The Apostle Paul himself, who spoke against suing a brother, was forced to seek help from outside the fold when the Jews (apparently including some who had accepted the gospel) in Jerusalem sought to kill him for his teachings.

It is our desire and expectation that God will provide funds for the law suit from other sources than from our regular donors. Whether or not that will occur is in His hands. Since this suit is filed only for serving the Gospel commission, I suspect most viewers will be comfortable supporting it once they see the benefit to the cause of God. Certainly, we would honor the wishes of any donor who specified they did not want it to go for such a cause.

As to your question regarding our response to a petition from donors, let me say this. God does not change. If He was instructing us to seek truth through the courts, as this board believes, then we would not expect Him to change His mind and tell us to drop it. Now, if God did not lead us when we sincerely sought his guidance regarding the issue, then we are in a bad way indeed. My suggestion would be for "enough people" to seek the Lord in earnest fasting and prayer for 3abn. If then, we have been misled, He is able to correct our mistake or to eliminate us from our responsibilities. I believe this is the proper way to deal with questions such as this. Our God does hear and answer the prayers of the faithful - and I want to be where the Lord wants me to be, whether at 3abn or elsewhere!

You mention that "many things" have caused you to lose faith in those of us at 3abn. Nor are you alone in this. Fortunately, I live with a clear conscience, knowing that we have dealt with the challenges facing 3abn with earnest prayer seeking His guidance in everything we have done. I do not like the fact that people have been hurt, but neither do I like the harm that has been wrought to this ministry, and to the multitudes who would not be able to hear the gospel if our enemies had their way with the many false accusations and rumors. We know that 3abn and its leadership are innocent of any illegal or immoral activity. And this is just the reason for the law suit - to unveil the truth and make it known to the interested public. This is our goal. Some have accused us of cover up for requesting the court to limit that public discussion that might interfere with the ability of the court to do its work. Such is not the case, but only that the court may be able to proceed without interference by those who would like to prevent its work.

I hope this is helpful to you. Please feel free to respond if I haven't answered your questions.

Sincerely in Jesus' precious name,

Walter Thompson

Dear Mr. Walter Thompson,

I heard you are the head of management at 3 ABN. There is talk going around about things

happening at 3 ABN. One thing I need to know is if it is true Danny bought a house from 3 ABN for about \$6000 and then sold the same house in about a week for \$135,000? (I might not have the amounts exact)

I also heard that you have a sealed law suit against some church people who have been asking questions. I heard the law suit will end up costing so much money and that we who have been supporting you will have to pay for it out of our donations. I am not happy with at all.

Will you drop the law suit if enough people are against it? Some are talking about signing a petition.

Many things have me to lose faith in you there at 3 ABN. For now I will just say I am against the law suit and against paying for it out of our donations.
